

## COVID-19 RELATED PRODUCTS & SERVICES:

### NEED SOME CUSTOM JOINERY?

We have our own joinery factory based in Midrand, we specialize in custom-made carpentry the stuff that a lot of the other joinery companies will not touch.

As such we build a lot of Bespoke reception counters, executive furniture, Boardroom, Audio Visual and Collaboration furniture, kitchen, canteen, built-in cupboards and shopfitting. Home office furniture; economy v custom made!

### RECONFIGURATION OF OFFICES (Social Distancing)?

With the very real COVID-19 events, we have received a lot of enquiries from companies looking to re-configure their offices; be it changes to the general layout, desk top sizing to allow for minimum 1,5 metre distancing, screening for reception, workstations, floor demarcation, post lockdown office sanitization (100% green).

### POST-LOCKDOWN ESSENTIAL SUPPLIES & SERVICES

Need for rapid infrared temperature screening solution for commercial use (educational, public, corporate, retail etc) all-in-one machine adopted face recognition and infrared temperature measurement system.
