

COVID-19 RELATED PRODUCTS & SERVICES:

CUSTOM JOINERY?

We have our own joinery factory based in Midrand, we specialize in custom-made carpentry the stuff that a lot of the other joinery companies will not touch.

As such we build a lot of Bespoke reception counters, executive furniture, Boardroom, Audio Visual and Collaboration furniture, kitchen, canteen, built-in cupboards and shopfitting. Home office furniture; economy desks v custom made!

RECONFIGURATION OF OFFICES (Social Distancing)?

With the very real COVID-19 events, we have received a lot of enquiries from companies looking to re-configure their offices; be it changes to the general layout, desk top sizing to allow for minimum 1,5 metre distancing, screening for reception, workstations, floor demarcation, post lockdown office sanitization (100% green).

POST-LOCKDOWN ESSENTIAL SUPPLIES & SERVICES

Need for rapid infrared temperature screening solution for commercial use (educational, public, corporate, retail etc). All-in-one machine adopted face recognition and infrared temperature measurement system. Measuring the actual body temperature with alarm and closure of access.

Option for food or medical grade disinfectant, non-contact hand sensing automatic spray for hand sanitization as well as automatic start-stop high atomization ultrasonic unit in sterilizing chamber to spray large amount of mist (safe, reliable and user friendly). Details to be presented on request.

Option for metal detector type doorway scanner or full responding chamber – needs dependant.
